Owners of three clubs in Hancock County were released from the county jail last Thursday night by Sheriff Ladner.

\$500 bonds each following their arrest for possession of illegal liquor in raids made by the National Guard.

Hearings will be held January 12 before Justice of the Peace C. W. Brunson, Beat 2, in Aaron Academy. Appearing before Judge Brunson will be W. R. Whitfield, Richard Kennedy, Mrs. Rena Kennedy and Eli Alsobrook.

The three liquor establishments are located on the Pearl River Hancock County lines.

National Guardsmen in five-man teams under the direction of Major Milton R. Vance assisted in the establishments last Thursday afternoon by order of Gov. J. P. Coleman following complaints against the places.

The Guardsmen seized 2 cases of assorted whiskey, gin and vodka and one and a half cases of wine at the You All Club operated by Whitfield and situated about 150 yards from the county line.

The Half-way Club, operated by the Kennedy's, situated about 200 yards south of the You All Club yielded the guardsmen 3 cases of assorted whiskey and gin and fourteen cases of wine.

The Country Club, also known as the Whispering Pines, about two-tenths of a mile from the county line, operated by Eli Alsobrook, eight cases of assorted whiskey, gin and vodka, with nine cases of wine were nabbed.

Adj. Gen. W. P. Wilson, said in Jackson, no gambling equipment was found at any of the three clubs raided. The four persons were charged with possession of whiskey under Mississippi's prohibition law which the Gov. has repeatedly said will be stringently enforced.

The raid was the third of the week by the National Guard. On Monday a raid was made in Rankin County and on Tuesday the Guardsmen struck a grocery tourist car in Jasper County.

A. AND G. SHOW FOR CHARITY

Thirteen hampers of canned food were received Dec. 19 at the annual Canned Food Show, a feature of the A & G Theatre, sponsored by the management.

Each patron of the show at the Canned Food Show gained admission by bringing canned food.

The food received this year was added to purchases made by the Knights of Columbus and Brothers of St. Stanislaus for the filling of 241 baskets distributed to the less fortunate of the county.

Coch. Earnie Smith, Mrs. Smith and baby left for Albuquerque, New Mexico last Saturday to spend Christmas with their families.

## K. C. CHRISTMAS BASKETS AND PARTY

The annual Christmas tree party for members of the Knights of Columbus and ladies Auxiliary with toys given children of members was held Sunday afternoon at the K. C. home.

135 children received gifts from Santa around the large and beautifully decorated Christmas Tree.

Along with the toys each little tot was given fruit and bags of candy and cold drinks and cookies were served for refreshments.

Members of the organizations exchanged gifts and a real old fashioned Christmas party was enjoyed. Monday the charity of the organization was spread among the community's less fortunate.

Work C. W. Brunson, Beat 2, in Aaron Academy. Appearing before Judge Brunson will be W. R. Whitfield, Richard Kennedy, Mrs. Rena Kennedy and Eli Alsobrook.

This was the largest number of baskets distributed in this county by the local Council and the many persons who assisted in raising funds for the purchase of the contents of the baskets deserve credit for aiding in such worthy work and in making possible the kind of Christmas which gave all families in the community a true Feast in Honor of Christ the King, whose birthday is the Feast Day all the world should be able to enjoy.

## Seriously Injured In Accident

Norman Benigno, 45 year old Highway 90 resident was seriously injured last Thursday night when he ran his car into a one ton truck with trailer attached.

The accident happened about 8:30 p. m. Benigno was reported to have left his home to investigate a fire near Waveland and ran into the heavy truck and trailer as it slowed to turn into Phillips 66 Station on the Highway. The fog was dense and Benigno apparently failed to see the vehicle ahead of him. Both vehicles were traveling west.

Benigno was rushed by Fahey Ambulance Service to Memorial Hospital, Gulfport, where he was reported in a serious condition. During the week he has shown favorable improvement.

The 1953 Pontiac automobile driven by Benigno was totally demolished.

The truck and trailer were the property of the Lawrence Trailer Convoy, Inc., a Tulsa, Okla. concern. The driver was delivering the trailer to a buyer at the time of the accident.

The trailer received an estimated \$10,000 damages. Benigno was alone in his car when the accident occurred. He was thrown from the car to the roadway which possibly saved his life, as his car was crushed and cut through the center from the impact with the heavy vehicle which it struck.

Letter Thanks Doctors For Good Work

The following letter was received by Dr. C. M. Shipp, from Miss State Sanatorium:

Dear Doctor:

As it is the time of year when we all think of life and appreciate this wonderful country of ours, as well as the Season of honoring Him who gave His life for us, I am constrained to thank the doctors of Mississippi for their cooperation in the fight to control tuberculosis. We are closing our 40th year of the campaign against this disease here in Mississippi. In the beginning, 40 years ago, the deaths were between three and four thousand per year from this one disease. In '55, with your cooperation, the deaths were reduced to 211 and the indications for '56 are that the death rate will probably be a little lower than the 211. The campaign from here on out is going to be very hard and tedious to completely wipe out the disease and, while we are thanking you for your help in the past and wishing you a Happy New Year, we are asking you to cooperate in an intensive way to finally control the disease.

## Christmas Observed Here In Orderly Fashion

City Police Chief Alcine Sauter reported the most orderly Christmas on record in Bay St. Louis.

The long weekend holiday was unmarred except for two incidents and Sauter said the city police did not receive any calls for either accidents or vandalism.

A report from the local hospital confirmed the orderliness of the holiday with no emergency patients, with the usual holiday accident toll.

On Friday night a group of teen age boys threw a home made bomb into St. Stanislaus School.

The gang tossed the bomb, which was made up of 100 giant silver king crackers tied together, forced into a tin can, into the Union Street and Beach corner of the school building, 38 window panes were shattered and other damage done. The youths admitted they failed to turn at the dead end street. He reported the accident immediately to authorities.

The home was unoccupied at the time as Coach and Mrs. Smith were spending the holidays with their
